

***State of Washington  
Department of Transportation  
Notice to Consultants  
Highway Snow and Ice Control Program Management Services***

The Washington State Department of Transportation (WSDOT) solicits interest from consultants who wish to be evaluated and considered for Highway Snow and Ice Control Program Management Services. The approximate dollar value of the consultant agreement will be \$250,000. WSDOT may award one (1) agreement. The agreement will be for two (2) years in duration.
